

101 Best .Com Resumes & Cover Letters

The Internet is a booming industry, and despite recent shakedowns demand for qualified employees continues to grow. While in 1998 there were 1.4 million high-tech jobs in the U.S., per the Bureau of Labor Statistics, that number is expected to rise to 2.7 million by 2008. Those who have the right credentials can have their pick of great jobs at top e-commerce companies. Now from the authors of the best-selling 101 Best Resumes comes a new collection of resumes and cover letters tailor-made to equip high-tech job candidates to land their dream job in today's hottest job sector. Each resume and cover letter in this practical guide is prepared by one of the top experts from the Professional Association of Resume Writers (Parw). Using the same successful format and packaging that has propelled the 101 Best Resumes and Cover Letter books into bestsellers, this essential guide offers: Examples of outstanding resumes for every type of high-tech job: from C++ Programmer, to database administrator, to computer-based graphics designer, to data security manager, etc. Also features resumes for non-technical jobs in e-commerce such as marketing, sales, finance and recruiting; Successful styles and formats for dot-com resumes; Cover letters that will excite dot-com employers; Advice on how dot-com company requirements differ from traditional companies; Professional tips that will give candidates an edge-up in this competitive market.
