

Love & Marriage (Inspirational Scrapbooking)

Inspirational Scrapbooking is a new series showcasing the work of some of the most inspirational scrapbook designers around. In Love and Marriage, all aspects of love are celebrated, including young love, brotherly love, the love of a child and even the love of a favourite hat, providing scrapbook enthusiasts with numerous ideas for their own layouts. Scrapbooking is a fantastic way of storing your memories for future generations. It is a wonderfully accessible craft which more and more people are discovering, and there is a wealth of exciting materials available to help you create effective layouts.
