

## 50 Winning Interview Tips (Customized Modern Job Search)

50 Winning Interview Tips is one of the 60+ articles in the Customized Modern Job Search Series. Win your next interview by discovering what you're doing right (and doing more of it) and what you are doing wrong (and changing it)! No matter what your age or your experience or your qualifications or your proficiency in English, 50 Winning Interview Tips will increase your chances of success by improving your performance in the interview AND by allowing you to present yourself in a dynamic, useful way unique to yourself and yourself alone. This is not a system or a set of rote responses in which everyone who follows the advice acts and speaks the same -- it is advice which you CUSTOMIZE to your background, your personality, and the particular job you are going for. The 1200+ tips, tactics, and strategies of the Customized Modern Job Search Series give quick, clear, real-world-proven advice to job-seekers of all kinds. Whether you are old, or young, immigrant, professional, disabled, a minority, a woman, a student, re-entering the workforce, or entering the workforce for the first time, starting your career, changing your career, looking to cement your position at work, looking for a promotion, looking for a sideways move, looking to start your own business, or any other activity in the work world, the Customized Modern Job Search Series has valuable information for you!
