

The precursor to Image Comics July-shipping Afterworks Vol. 2, this anthology features the best and the brightest in the animation industry producing some of the freshest comics around. These animators, all of who have worked on some of the most popular television shows and movies of the last decade — including The Incredibles, Futurama, Finding Nemo, Ice Age, Toy Story, Cars, Monsters Inc. and many more — spend their time after work creating a variety of stories that range from the fantastic to the extremely personal. Presented here are seven tales, all told in varying styles that bring a unique voice to the comic book medium.
