

Ben Thompson—author of Badass, creator of the epic website badassoftheweek.com, and the Internet's foremost expert on badassitude—is back to enthrall lovers of skull-smashing, bone-crushing bad behavior with his latest compendium, Badass: The Birth of a Legend. Like its macho predecessor, Badass: The Birth of a Legend celebrates fearless berserkers of every stripe, male and female, but this time pulls them from the hoary pages of mythology, fantasy fiction, and the silver screen—from Zeus to Beowulf to Dirty Harry Callahan, the most merciless gods, monsters, heroes, villains, and mythical creatures ever envisioned. Forget your whiny Twilight vampires and werewolves, these badasses kick butt!
