

Give the crafty kid in your life the gift of style! Bandana-rama—Wrap, Glue, Sew makes it easy for kids of all experience levels to complete all 21 projects featured in the book. From headbands, belts, and hoodies, to pillows and a guitar strap, all the projects can be achieved by hand sewing, machine sewing, or in some cases, by simply using scissors and glue. Since bandanas are prehemmed, they cut down on time spent sewing borders and following stitching lines, so theres more time for kids to flex their creative muscles and create a style thats all their own.
