

Robertas vendetta continues as Rock and Revy enlist some old acquaintances to try and catch up with the Killer Maid before its too late. Theyre going to have to get in line since Robertas got everyone from a U.S. military black ops unit to her ex-F.A.R.C. comrades gunning for her, not to mention the CIA and the NSA. When the turmoil becomes more than the citys criminal underworld can bear, Balalaika and Hotel Moscow enter the game. With so many players at the table, its winner take all, and the stakes couldnt be higher!
