

AMC Property Management Covers Up Underwear Thief Preying On Women Residents: Maintenance Man Stealing Underwear From Tenants Not Home

When a company chooses against ethics and morals, it is a sad day. AMC Property Management of Las Vegas was alerted that one of their maintenance staff at The Edge Apartments confided in another that underwear was being stolen from female residents not home while the maintenance man was in the apartment suppose to be doing maintenance. As the american way goes, the whistle blower was out of a job and those involved were promoted and the cover-up was on. One thing not taken under consideration was that the whistle blower is also an author. So this is not being swept under the rug as AMC would have hoped. Instead, a book exists.
