

For anyone still a little intimidated by the scrapbooking craze, Scrapbooking Made Easy is the best place to start. At its core is the notion that even the simplest pages will make for treasured family heirlooms. From that, it's only a matter of applying the basic techniques in a step-by-step process, starting with quick ways to enhance layouts, and gradually moving on to more advanced techniques. Includes advice on organizing. Features: * One of the three newest editions in the Treasury of Favorites series, produced exclusively for Leisure Arts * The series first books created a demand for more than five reprints in the first year * 288 pages of fast and friendly advice and techniques for completing simple albums, scrapbook pages, and tags * Includes popular articles from Simple Scrapbooks magazine
