

## Creating Your Career Portfolio: At a Glance Guide for Students (2nd Edition)

For courses in Career Planning, Career Development, Employment/Job Search; Intro courses where students will begin to compile projects and work samples to show skills; and Senior Seminar/Capstone Courses where advanced students are preparing to enter the workplace. Designed to assist students in pulling together their many skills and competencies, this innovative, easy-to-read guidebook provides detailed instructions for planning, assembling, and using a personal Career Portfolio for a job search or promotion. It shows them how to tie together and package their work experiences, class projects, professional development, and personal experiences to help them sell themselves in the job market.
