

## Brenda (Spanish Edition)

Esta obra es de dominio publico en los paises donde la duracion es de 70 anos despues de la muerte del autor y en los Estados Unidos(publicacion antes de 1923). En una casa situada en las afueras de Montevideo, a altas horas de una noche de verano que lucia algunas estrellas, y cuyo aire tibio formaba nebulosas con los vapores flotantes de la niebla alrededor de los reverberos, cruzaban por el patio varias sombras calladas e inquietas, personas que andaban sobre la punta de los pies comprimiendo sus alientos y evitando el mas leve rumor. Algo grave ocurría. Son los primeros renglones de Brenda, la primera novela del autor uruguayo Eduardo Acevedo Diaz, publicada en forma de folletin en 1886 por el diario La Nacion de Buenos Aires.
