

Gammie and De Souza: Land Taxation (British Tax Library)

Land Taxation provides a definitive analysis of the system of taxation in the UK as it affects land and buildings, and examines the impact of all the relevant taxes. It can be relied on for guidance through the new Stamp Duty Land Tax. * Covers the whole range of transactions in land - showing how land taxes apply in each one * Sets out how the law applies to different classes of taxpayer * Analyses decisions of the courts and the VAT Tribunal * Regular updates cover new legislation and judgments
