

COWRIE READINGS OF THE QURAN

On Friday December 10, 2010 I (Ken Nunoo) performed cowrie readings on the Quran to determine its source, about the validity of Muhammad, whether the Quran was truly inspired. The method I used was a Kabbalistic method of divination using the seal of Adonai, 4 eggs and 6 oranges, with the names of God written on the eggs and oranges together with the names of the angels Ariel, Michael, Raphael and others all written in Hebrew. In this method of divination, two throws are made and the number of pieces that fall with their mouth side up is counted. If the second number is greater than the first number the answer is YES, if the second number is less than the first number the answer is NO. if the numbers are the same, it is a tie and that the question may not be clear to the angels so I have to rephrase it. Some of the questions asked was; Was Muhammad a prophet? Did the angel Gabriel inspire Muhammad with the messages of the Quran? Was Muhammad an angel born as a human being? Did more than one angel inspire Muhammad with the messages of the Quran? Did more than three angels inspire Muhammad with the messages of the Quran? Did two angels inspire Muhammad with the messages of the Quran. Did three angels inspire Muhammad with the messages of the Quran? Was Muhammad a descendant of Abraham? Was the Arabic Language derived from the Hebrew Language. Is the God ALLAH of Islam the same as the God ELOAH of the Hebrews? Was Muhammad a descendant from Ishmael.
