

A Collectors Guide to Postage & Fractional Currency

The Pocket Change of the Civil War: This is the second edition of The Collectors Guide to Postage & Fractional Currency by Robert J. Kravitz. The highly acclaimed first edition received the 2004 Literary Award from the Professional Currency Dealers Association (PCDA), and gained immediate recognition as a necessary collectors reference book. This updated edition contains not only the latest trends in prices for postage and fractional currency, but also over twenty pages of more detailed and previously unpublished information on the history of this aspect of Americas numismatic heritage. Also included in its 200 pages are hundreds of full-color photos, a rarity guide for each individual note, and valuations in up to eight condition. Mr. Kravitz has been researching, collecting and dealing in postage and fractional currency since 1968 and is recognized as one of the leading experts in this field.
