

## Gantz Volume 11

The blue phase is here! Gantz creator Oku Hiroya seems to have based his popular Gantz series on a sort of season-based cycle, and now that we were entering the second set of ten books, we're all blue here at Dark Horse as Hiroya boldly takes us into the increasingly scary world of Gantz. So now Kei has been dealing with a handsome schoolmate who seems obsessed with all things Gantz, and in Volume 11, we'll find out how frightfully obsessed this guy is. It's a whole new world of Gantz's alien urban warfare, and things are certainly not settling into any kind of comfort. Be ready for a dizzying new volume of Gantz!
