

## Genesis (The Peoples Bible)

The purpose of The Peoples Bible is, in essence, to make it readable. In these interpretive translations, the variety and scope of the Bible comes to life, proving that it can give pleasure even to non-believing lovers of great literature. This is a complete and faithful translation of Genesis, looking at the origins of the universe, the creation of man and woman, the inception of evil, God's withdrawal from the world, and his re-entry into human history to achieve his purposes.
