

Design and Make Cushions (Design and Make Series)

The third title in the Design and Make series, this book contains 30 easy projects and provides information on how to adapt basic techniques to create a range of stylish cushions. It covers measuring, cutting fabric, stitching and matching patterns. A special section on trimmings features braiding, fringing and piping. The projects have easy-to-follow step-by-step instructions and include piped cushions, scatter cushions, bolsters, traditional Oxfords, Turkish floor cushions, window seats and box cushions.
