

# Collectors Encyclopedia of Salt Glaze Stoneware: Identification & Value Guide

The term salt glaze is readily used when describing these pieces. Because of its common use as a term for this colorful molded stoneware, it can be endorsed as a generic name for these pieces of factory made wares. It is a collectible deserving an appropriate place in American pottery history. This book discusses molds and shapes, patterns and colors, spotting repairs, reproductions and married pieces, cleaning, pricing with the majority of the book containing images of pieces and their descriptions
