

Isaiah 1-12 (Continental Commentary)

This excellent commentary is certainly the most exhaustive of works available on the chapters with which it deals. I recommend it unreservedly to all serious students of the Old Testament. -- John Bright Wildbergers commentary has turned out to be his Lebenswerk, and it is itself a noble tribute to a scholar who is theologically sensitive, aware of differing opinions, and fair in dealing with them. It is the best existing commentary on the book of Isaiah. -- Roland E. Murphy
