

Jewish Responses to Persecution: 1933-1938 (Documenting Life and Destruction: Holocaust Sources in Context)

Jewish Responses to Persecution, 1933-1946 offers a new perspective on Holocaust history by presenting documentation that describes the manifestations and meanings of Nazi Germany's Final Solution from the Jewish perspective. This first volume, taking us from Hitler's rise to power through the aftermath of Kristallnacht, vividly reveals the increasing devastation and confusion wrought in Jewish communities in and beyond Germany at the time. Numerous period photos, documents, and annotations make this unique series an invaluable research and teaching tool.
