

Just Promoted!: How to Survive and Thrive in Your First 12 Months As a Manager

This is a guide for the new manager, with practical and proven approaches to the challenges of the first critical year on the job. From moving in, to achieving an impact, to managing family and personal life, the book guides the new manager from day one through the entire first year. The book offers practical solutions to real problems, including: hiring, firing and training staff; developing a vision; forging a strong, positive relationship with the boss; avoiding career-damaging pitfalls; and dealing with stress.
