

Lovin Soap Studio Cold Process Soap Recipe Book: 50 palm-free natural soap recipes using essential oils for scent and herbs and spices for color!

Lovin' Soap Studio Cold Process Soap Recipe Book

50 palm-free natural soap recipes.

Amanda Gail

This book is a soap recipe book containing 50 soap recipes for cold process soap and 64 essential oil blends. Though it does contain basic steps, it is not an advanced soapmaking book and doesn't go into details on advanced soapmaking topics.

The recipes and essential oil blends in this book are provided to inspire creative formulation on your part. Sure you can use a recipe as-is, but don't be afraid to experiment and change things up. As always, if you substitute a base oil in a recipe with something else, be sure to run the recipe through a lye calculator to get the new lye amount.
