Author Katie Chins love of cooking blossomed at an early age watching and later helping her renowned mother, Leeann Chin, prepare delicious Chinese dishes in her popular restaurants. Born in China, Leeann was an award-winning restaurateur and author revered for her ability to demystify Chinese cooking for the American home chef. Katie inherited her moms passion and talent, and has become a respected food writer and television personality in her own right. Sadly, Leeann passed away in 2010, but her recipes live on. Katie is eager to share her mothers food legacy with you in this book an homage to Leeanns mastery of all that Chinese cooking has to offer. This treasury of family recipes includes many unique dishes that Leeann developed during a six-decade career in the food business, including time-honored classics that she herself learned from her mother in China. Some dishes reflect Leeanns Chinese-American childhood or are recipes which Katie and Leeann developed while together. Others are creations that Katie has developed more recently. Woven throughout the book are fond memories and anecdotes from Katies childhood, always involving cooking and eating with her mom. Katie Chins Everyday Chinese Cooking is a celebration of Leeann Chins amazing mastery of the complete array of flavors and techniques in Chinese cuisine, and her unique ability to make them accessible to Westerners.
