

## How Do U Integrate Success in a Small Business Book (Kindle)

A self published book with online and daily journals of a struggling disabled small business entrepreneur during a business planning class. From a hobby and side part time, came the reality of probability aided with great teachers and mentors about entrepreneurship. Partly it talks about how determination and persistence should not be a mere stumbling block towards economic status and lack of funding. Timed during the economic recession of 2008, it is an inspiring journal with real life examples of courage. Available in Apple Iphone format for downloading and now with Kindle.
