

Enter an exciting new future with Mega Man ZX! Hundreds of years in the future, humans are able to merge with living biometals, transforming into Mega Men! But are even the combined powers of the Model Z and Model X biometals enough to take down the sinister Slither corporation? Its been years since the wars between humans and Reploids. They now coexist peacefully, with humans using new Biometal technology to give them Reploid-like powers and Reploids giving up their immortality. When a mysterious group attacks a team of couriers delivering Model X and Model Z Biometals, they respond by fusing themselves with the Biometals, creating Model ZX! With powerful abilities at their disposal, they must discover who their enemies are and what they are after.
