

Messengers of Allah: Guidance for Humanity

There is a serious misconception among non Muslims that Islam is a new religion. Nothing can be further away from the truth. The Glorious Arabic Quran clarifies the factual situation: Divinely inspired Messengers were sent to ALL NATIONS with an equivalent message. The facts presented will prove that all the previously Revealed Books to all the Prophets are now embodied in the Quran. We hope that this booklet will help non Muslims to see and appreciate the truth, and also for Muslims to set the record straight with the facts as stated in the Glorious Arabic Quran when discussing Islam with their non Muslim friends!
