

Midwest Home Landscaping: Including Southern Canada

Midwest Home Landscaping, Including Southern Canada, shows how to beautify 23 common landscape situations, such as front and back entries, walkways, borders, slopes, and patios. After presenting 46 design variations, the book explains how to install and care for the plants, ponds, walls, and fences involved in the landscape designs. Plants that are proven performers in the Midwest are used in the designs and described in full detail. Step-by-step instructions provide the essential knowledge to tackle each project.
