

## My First Sewing Book: Hand Sewing (My First Sewing Book Kit series)

This is the first book in the six-book My First Sewing Book series, where Winky Cherry introduces sewing to young seamsters from simple stitches and doll making to understanding and using a sewing machine. Guides feature clever rhymes and simple instructions, which teach sewing skills, as well as responsibility, commitment, focus, patience, coordination, organization, and how to follow rules, all through the enjoyment of sewing. Levels progress through hand sewing, embroidery, doll making, machine sewing, patchwork, and quilting. This My First Sewing Book kit introduces children ages 5 and up to sewing basics such as threading a needle, making knots, using pins, using dots, overstitching, and lock stitching. Step-by-step instructions guide children through stitching and stuffing felt animals. The kit includes the book, two sets of bird shapes precut from quality felt, three yards each of four colors of crochet thread, and an additional 43 shape patterns. There is also a companion Yes, I Can Sew! DVD. Winky Cherrys unique My First Sewing Book program teaches young children not only sewing skills, but life skills: responsibility, commitment, focus, patience, coordination, organization, and how to follow rules, all through the enjoyment of sewing. In six books, levels progress from simple hand sewing, embroidery, and doll making, to machine sewing, patchwork, and quilting. The three hand sewing books feature clever rhyming instructions for children as young as 5. The three machine sewing books are for children ages 7 and older. All six titles have simple, clearly-illustrated instructions. Each book builds on the previous books, and each book can stand alone.
