

Job Interview Made Easy

If you are looking for a conventional interview guide, forget about this book. It is not made for you. There are a lot of conventional interview guides on the market. The problem is they are boring and don't give the best advice for job hunter. This book goes directly to the point without making things look complicated. It provides in simple words, professional advice for successful interviews. These are inspired from the author's 10 years experience with interviewing and have largely proven their effectiveness.
