

Microeconomics.

UNDERSTANDING

MICROECONOMICS, 14E, International Edition reflects current economic conditions, enabling you to apply economic concepts to the real world. The up-to-date text includes analysis and explanation of measures of economic activity in today's market. It also includes highlights of the recession of 2008-2009, and an in-depth look at the lives and contributions of notable economists. **UNDERSTANDING MICROECONOMICS, 14E, International Edition** dispels common economic myths. The text uses the invisible hand metaphor to explain economic theory, demonstrating how it works to stimulate the economy. The 14th edition includes a robust set of online multimedia learning tools with video clips and free quizzes designed to support classroom work. A completely updated Aplia interactive learning system is also available--with practice problems, interactive tutorials, online experiences and more.
