

Beginners SketchUp 2014 (American Woodworker)

From Imagination, to computer, to wood...Since it was first introduced, the Sketchup program has helped thousands of woodworkers create, correct and perfect their furniture designs before the first piece of expensive wood is cut. Now Joe Zeh, an expert in Sketchup and Computer Aided Design (CAD) will show you the versatility and ease of the new 2014 edition. Sketchup for Woodworkers DVD will teach you how to: Set up the 2014 version and use the basic tools Design a piece from the ground up, including drawers Work with texturing, components and layers Master dimensioning and more Whether you're a Sketchup novice or expert, this guide will help you master all the expanded features of the new 2014 edition in easy-to-follow individual video chapters. PC and Mac compatible. Nonvideo files require free Adobe Reader 8.0 or later.
