

## What Every Parent Needs To Know About Eating Disorders (Live GODs Way Daily Book 7)

I have had an eating disorder for over twenty years. Ever wonder what your Loved one is feeling or thinking? Ever wonder what you can do to help your loved one? I am here to give you an inside glimpse of what they are thinking and feeling. Your loved one can be cured. It might take awhile and secrets might come out that you are not ready to deal with. An eating disorder is a symptom of something greater. I will tell you how to help your loved one in 4 steps. I will tell you what to do and what not to do. If you want to help your loved one, read how I healed myself and you can also help your loved one. It is not about dieting. It is about self esteem and feeling worthy. Go into the mind of someone who has had an eating disorder.
