

# Crisis Capitalism: The System That Runs on Destruction: An Audio Recording of Educational Broadcasting

This audio recording features John de Graff of PBS, Jeanie Zaino of FOX and Fran Hawthorne of The New York Times. The three panelists disagree upon the future of capitalism. Patrick McCarty studied under the great French philosopher Jacques Derrida and worked as an academic for 25 years. Today, he is a professional writer (over one hundred titles to his credit) and the host of ICG/CNN Radio, where he dialogues with the central innovators, writers, artists and thinkers of the 21st century. McCarty has also served as writer for VP Joe Biden and the DNC. For more information concerning him or his works and for extensive samples, see [insightcommunicationsglobal.org](http://insightcommunicationsglobal.org).

Excellent. Wonderful Book! --Corky Ballas (father of Mark Ballas, Derek and Julianne Hough) of Dancing with the Stars

McCarty is a formidable intellect and creative talent. Adriaan Peperzak, Stanford University I find Patrick's insights and powers of imagination unprecedented, often nearly prophetic. C. Payne Lucas, Africare Founder McCarty belongs to a short list of people who can combine literature and philosophic penetration to this depth. Stanley Corngold, Princeton University Patrick is without doubt an extraordinary talent. --Dr. David Ingram, Loyola University Patrick McCarty: <https://univ-paris1.academia.edu/PatrickMcCarty> Audio Recordings: Globalization: From Milton Friedman to Jeffrey Sachs, A Raw Deal The Nietzsche Debate: Walter Kaufmann, Paul de Man, Jacques Derrida, Stanley Corngold and Patrick McCarty The Narcissism Epidemic with Dr. W.
