

In *Overcoming: A Survival Guide for Change Agents*, Greg Wallace speaks to the heart and soul of those who undertake the intricate journey of organizational change. With a voice of experience and proven success, Greg addresses the mechanics of the change initiative from the perspective of a topic rarely covered in business literature: the ups and downs change agents face. In sharing his own story, Greg gets personal. With a keen sense of the realities on the ground and the questions that cross the change agent's mind, he offers transparent, heartening, and instructive insights to strengthen and encourage his peers worldwide.
