

## Gardening For Beginners: Pocket Book Edition

Gardening for Beginners Book Pocket Book Edition for friends, family and loved ones of any age seeking to take up the free and healthy pastime of Horticulture and especially a great gift to someone retiring. As we become more aware of our environment and wild life, with this book you can take the plunge of creating a mini eco system around your home for a healthier lifestyle and creating a blaze of colour. The book comes with many great gardening ideas including the growing of your own organic vegetables for healthier eating and giving new life to items around your home that can be recycled and given a new lease of life as part of the garden landscape. Gardening for Beginners has been 2 years in the making by Alastair R Agutter Best Selling author of specialist books and found within this publication only encouragement with step by step guides and many great ideas for making your home into a little piece of Eden.
