

The sheer number of Jewish laws infuses everyday life with endless opportunities to touch the divine within. With this modern translation, the English-reading public can study Jewish law as taught by Rabbi Shneur Zalman of Liadi, the Alter Rebbe, from the original source. In this new edition, the translation page faces the newly reset Hebrew text. Notations appear when the Alter Rebbes rulings are at variance with Rabbi Yosef Karos Shulchan Aruch and when other halachic works cite the subject at hand. This volume covers Orach Chaim chapters 582-624. This handsome, hardbound volume is a desk-friendly format with a satin ribbon marker.
