

## Uncle Stephen

This is the fourth, fully revised, updated and enlarged edition of the Guide to First Edition Prices, which now contains details of 25,000 collectable books by over 500 different author and artists. The guide is compiled for collectors, book dealers, and all who love books. Few can resist the temptation to see if there are undiscovered treasures on their shelves, or check on the value of their prized editions. The guide is also a useful reference tool containing useful bibliographies of the works of all authors.
