

Van Pattens ABCs of Collecting Nippon Porcelain: Identification and Values

Historical information is included in this new volume Van Pattens ABCs of Collecting Nippon Porcelain, as well as the different designs and techniques that were used. A variety of patterns, designs, decors, and various scenes are showcased. A big chapter on reproductions is also included, and hundreds of backstamps are shown. As the subtitle of the book suggests, this volume is arranged alphabetically by piece. As always, current collector values are provided for every item shown. Hundreds of photographs of vases, tea sets, candlesticks, trays, creamers, plates, urns, and many other types of dishes are featured. Joan Van Patten, co-founder and past president of the International Nippon Collectors Club, is a qualified, trustworthy source for every Nippon collector, and her books are always considered required reading.
