

Business Law Battle Plan for Entrepreneurs: How to Protect Your Company From Lawyers, Lawsuits and Legal Disasters

You know it is true: if you own or operate a business, it is a matter of time until you are sued or investigated for some alleged wrong. If you are interested in positioning your business to avoid or win legal problems and threats, then veteran business lawyer Marjorie Jobe's new book is a must read. The Business Law Battle Plan for Entrepreneurs: How To Protect Your Company from Lawyers, Lawsuits and Legal Disasters is a game changing resource for all business owners and managers. Business Law Battle Plan for Entrepreneurs is different from all other books about business law. It is a unique and in-depth look at how to prevent litigation altogether or to at least out-manuever the lawyers that may unfortunately be in your future. With real life case scenarios and real world action steps in plain language, this book could literally save your business from being ruined by a lawsuit or criminal investigation. For any business executive or owner who fears being entangled in lawsuits or other legal problems, this book will silence your fear.
